

## **Product overview**

Batteries for Trucks, Buses, Construction, Agriculture

## EndurancePRO EFB DX2253

| Part number         | DX2253        |                | Polarity             |  |
|---------------------|---------------|----------------|----------------------|--|
| Technology          | EFB           | ج<br>ا         | Ì                    |  |
| EAN/GTIN            | 3661024026406 |                |                      |  |
| Voltage             | 12 V          |                |                      |  |
| Capacity            | 225 Ah        | 400            |                      |  |
| CCA                 | 1150 A        |                | ,                    |  |
| Length              | 518 mm        | т              | Terminal Type        |  |
| Width               | 274 mm        |                |                      |  |
| Height              | 240 mm        |                |                      |  |
| Box size            | D06           |                |                      |  |
| Polarity            | ETN 3         | Ø19.5          | Ø179                 |  |
| Terminal Type       | EN taper post |                |                      |  |
| Hold Down           | ВО            |                |                      |  |
| Weights (subject of | 60.10 kg      |                |                      |  |
| variation)          |               | PositiveTermin | al Negative Terminal |  |
|                     |               |                | Hold Down            |  |
|                     |               | 11<br>11       |                      |  |
